Dear Sir:

Applicants have asked that this application be withdrawn from issue so that additional information may be considered by the Examiner. Attached is a Form PTO/SB/08A listing the additional information that the undersigned wishes to make of record. Copies of all of the references cited are attached except for the Fisher article. A copy of the Fisher article will be provided promptly. A check is being submitted with this Letter including \$180.00 as required for submission with this Information Disclosure Statement.

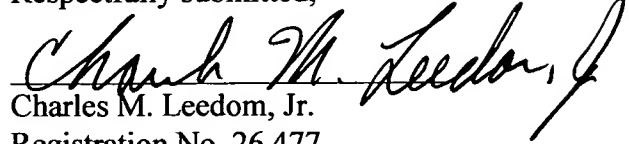

On October 21, 2003, Applicants filed an Information Disclosure Statement including 5 pages of prior IDS forms and a new Form PTO/SB/08A. A copy of the 08A Form was returned with the Notice of Allowance dated February 19, 2004 indicating that the Examiner had reviewed all of the references. However, no entry was made in the PTO Pair System indicating that that the IDS was filed on October 21, 2003. Applicants are merely noting of record that Applicants have a date stamped receipt card indicating that the PTO has received the 5 pages of prior IDS forms
